Seed List – October 2019

Section 1 seeds are from previous lists.

Section 2 seeds have been kindly donated by Johan Bouwer (JBO), Obesa Nursery, Graaff Reinet, South Africa and featured in the September list.

Section 3 seeds have been kindly donated by Graeme Bird, New Zealand.

Section 4 seeds have been kindly donated by Les Percy and consist of open pollinated seed from plants in his collection. In the past two years these have proved very popular with members and there have been some lovely seedlings resulting from them. **It is very important that the resultant seedlings are labelled as hybrids.**

Names used are those supplied by the Seed Donors.

All 5 seeds per packet except where stated.

50p = £0.50 and 25p = £0.25
