## Seed list – September 2018

Section 1 seeds have been kindly donated by František (Fanda) Veselý from the Czech Republic. Hand pollinated. These are in very short supply. **We are limiting these to six packets maximum (our choice) out of twelve to enable as many members to have the opportunity to obtain some of this seed.**

Section 2 seeds are the result of open pollination in Les Percy's greenhouse, many of them are from attractive parent plants. Only the female parent is known. The final two selections are a general mix of hybrid seed (152) and then named ones but not in sufficient numbers to list separately (153 and 153a).

Section 3 seeds are from previous lists.

**All 5 seeds per packet except where stated.**

**One packet of each seed maximum but see above.**

Seeds from section 1 are £3 for 6 packets, seeds from section 2 are 50p (£0.50) and seeds from section 3 are 25p (£0.25) per packet.

Check <http://www.haworthia.org> for updates on availability.
